

VETERAN AFFAIRS AND RESOURCES

Labouré College welcomes former and current members of the armed services and their families to our community.

We aim to support your continued success by assisting you in the utilization of military educational benefits and connecting you with campus, local, and national resources. As an institution, we are committed to working with you to understand and support your needs in transitioning from a military to a collegiate environment.

Labouré College values the unique contributions our military students make towards bringing innovation to the healthcare industry.
